

Pedestrian Detour Along Westbound ChampionsGate Boulevard (C.R. 532) at the I-4 & ChampionsGate Interchange

The Florida Department of Transportation (FDOT) is detouring pedestrian traffic on the westbound sidewalk (south side of the road) of ChampionsGate Boulevard (County Road 532) at the interchange of Interstate 4 (I-4) and ChampionsGate. The detour will begin Wednesday, May 7, and is anticipated to remain in place until late 2025, allowing for crews to reconstruct the eastbound and westbound I-4 bridges. Signage will guide pedestrians from either side of I-4 to cross to the center median area and follow the protected path safely to the other side. While the bike lane is unavailable, cyclists are advised to dismount and follow the pedestrian detour until the bike lane resumes. Please follow all posted signs and use pedestrian signals.

Moving Florida Forward

MOVING FLORIDA
FORWARD
Infrastructure Initiative

The Moving I-4 Forward Program is a series of projects under Governor Ron DeSantis' visionary Moving Florida Forward Infrastructure Initiative. The completion of this program will provide a regional benefit to Central Florida by creating a continuous express lane system from Seminole County, through downtown Orlando in Orange County, all the way to U.S. 27 in Polk County. Additionally, this program is dedicated to enhancing safety, efficiency, and regional connectivity through one of the areas in most urgent need of congestion relief along I-4 by adding congestion relief lanes, extended express lanes, and enhanced interchanges and bridges. This collaborative and innovative program will enhance Florida's supply chain and economic growth by using a dynamic workforce and the latest technology.
